# DEDICATION

This issue of the "Lighthouse" is dedicated as a memorial to Ellen Rowley, a former member of our senior class.

Due to an untimely death Ellen will not be able to graduate with us.

As we embark on the seas of life and set our sails for challenging unknown harbors, we are sorry that Ellen will not be able to join us.

# PRINCIPAL'S MESSAGE

## GREETINGS TO THE CLASS OF "66"

My future citizens of America and the world, as we look at you in 1966 and envision what the life ahead has in store for you, we are pleased to have had a share in your development.

We have faced and conquered many challenges together during the past five years; and now, with these behind us, there will be new and more difficult ones to face. Realizing that intelligent people welcome challenges, it will be ours to face up to them as they present themselves. It is going to be yours and mine from this time on to see that every American boy and girl has the opportunity to develop to his or her fullest. If we can do this for your generation and generations to come, America will still be the land of the free and the home of the brave. Therefore, my young friends, it is essential that you make your way through the uncertainties of the next decade, and that you keep your eyes on your main goal which is the continuation of progress and progress in abundance as you leave Northampton County High School.

We trust that you will not forget that it was here that you were able to help yourselves in order to help others reach their desired goals. May you ever have a keen interest in your Alma Mater's welfare, and may you always have a warm feeling in your hearts for the work that will be carried on here in the years to come.

Best wishes for you and future generations of this your Alma Mater.

Your Principal,  
W. H. Smith

# GUIDANCE COMMITTEE

Youth continually face problems in understanding themselves and making decisions. On every side they are faced with increasingly complex social and economic patterns and widening occupational opportunities. With these changes have come greater emphasis on individual differences and the development of programs which see to give systematic aid to all students. Therefore we are trying to provide a program which aid all students to make wise decisions and good adjustments.

Through the Guidance Committee and staff members the following services are available to all students: Individual Inventory, Informational, Counseling, Placement, and Follow-up. These services should assist student in knowing himself if as an individual and as a member of society; in making the most of his strengths and in correcting or compensating for his weakness that interfere with his progress; in learning about occupations so that he may intelligently plan and prepare for a career; in learning about educational opportunities available to him; and in discovering and developing creative and leisure interests.

For a successful guidance program, we ask for the continued co-operation from the home, the community, and the student.

The Committee **STANDING**: Mrs. Alice Smith, Mrs. Alice Brown, Mr. W. H. Smith, Miss C. Echols, and Mr. C. Brickhouse.

**SEATED**: Miss T. Jamison, Miss F. Bishop and Miss Margaret Helm.

## **SENIOR CLASS PRAYER**

Almighty God, it is approaching the time of the year again when another class departs from Northampton County High School.

We pray that Thou will help us to understand and appreciate the teachings of our parents, our principal and our teachers in order that we might profit in conquering the mysteries of this perplex world.

Oh God, be with us in all our future endeavors and guide us to the path of righteousness. Amen

# SENIOR CLASS HISTORY

We, the class of 1966 entered Northampton County High School in September of 1961. Our homeroom teachers were: Mr. Sisco, Mrs. Hastings, Mrs. Cherry, Mr. Adair, Miss Brown and Mr. Collins. Ours was a year of hustle and bustle. We were extremely excited and eager to learn. Della Z. Collins was "Miss Eighth Grade" in the Homecoming Activity. Katie M. White represented us beautifully in the May Day Activities. That was a year to remember; it was our beginning.

In September of 1962, we entered as jolly freshmen; ready to begin another year's work. Our homeroom teachers were: Mr. Polk, Mr. C. Brickhouse, Mrs. M. Collins, Mr. Collins and Mr. Adair. Garnet Baines was the first person to win second place in the Science Conference on the state level in the history of our school. Claudette Brickhouse won third place in algebra in the District Conference. We achieved greatly academic wise that year.

September of 1963, we let the summer dust out of our hair, put away our picnic baskets, and settled back for another year's achievement. As sophomores our teachers were: Mrs. Christain, Mrs. McCuller, Mrs. Upshur, Mr. Cook and Mr. Adair. Margaret F. Wynder was "Miss Tenth Grade" and Shelia Satchell represented us on May Day. Geraldine House won the spelling bee and Claudette Brickhouse won in the oratorical contest for her original speech.

We were happily united again in the September of 1964, as Juniors, full of enthusiasm for the coming events. Our homeroom teachers were Miss Jami-son, Mr. Fisher, Mr. Adair, Miss Crayton and Mr. Sisco. Our theme for the prom was "Evening in Hawaii". It was quite a success. Vann Brickhouse and Garnet Baines won fourth place in geometry at the District Conference. Carolyn Morris won the Library Conference award. Velvet Copes won first place in the Art Show held at school. Eugene Harmon ended the academic year by winning the annual spelling bee. Betty Jacobs was our representative in the Homecoming Activities and Brenda Sessoms was our May Day representative.

We are finally Seniors. Our homeroom teachers are Mr. Busch, Mr. Daniels, Mr. Sisco, and Mrs. Phifer. This year will forever stand out in our memory and our high school days, for our mission will soon be accomplished. Eleanor Wilson was "Miss Homecoming" this year. Maurice Rogers and Kenneth Nocks were captains of our football team. This year also marks the end of a part of a happy time in our lives and we are somewhat reluctant to say farewell. We go, with the thought that only the first pages of our history book has been completed and we face the future with plans to write glorious more pages of history.

Susie Rogers, Alberta Roselle and Patricia Smith have opened a school to teach people to smile and show their beautiful dimples.

The number one fashion designer is Kendall Downes. Her assistants are Johnella Edmonds and Helen Goffigon.

So long until we meet again.

# SENIOR CLASS POEM

Dear Old Northampton to you we would like to say,  
Thank you for your guidance, your wisdom and your play;  
Your friendly halls, your classrooms, a place to work and grow.  
For all this we are thankful and will keep you dear wherever we go.

We are indebted to our principal whose time in our behalf was spent;  
Our teachers who toiled diligently that we may find the way,  
To make our paths in life to live from day to day;  
For these faithful educators we are deeply thankful.

Now, to you dear schoolmates, whom we leave behind;  
We have a thought for you that you must keep in mind:  
"The heights of great men were not achieved by sudden flight;  
For while their companions slept-they were toiling upward  
through the night."

Now the time has come for us to part,  
But we shall always remember you deep within our hearts.  
These last words we say with a sorrowful sigh;  
We'll forever cherish you, Dear Old Northampton High.

We, the staff of the 1966 "Lighthouse" set out several months before this publication to preserve many memories of this and other school years. We have tried to increase the number of pictures of students, teachers, teams, organizations, and activities of Northampton County High School.

It would be impossible to put all these memories into words and pictures, but we have tried to include most of the big things and some of the small things that happened from day to day. May this "1966" Lighthouse serve to refresh your diminishing memories of our high school days as you scan these pages.
